## La Giettaz 4 star ski chalet for 14 close to the pistes

Enjoy winter and summer sports at this contemporary Alpine chalet, designed with guests in mind

### About Chalet Crechoua

Chalet Crechoua is a new five-bedroom, five-bathroom chalet for 14 people (ten adults max). Close to the pistes, the ski bus and the village, it has already proved very popular with OVO Network guests

Designed with great holidays in mind, this is the first OVO Network 4 star property in La Giettaz, and is ideal for two or three families or a group of friends. You'll love the panoramic views, being just 300m from the ski bus stop and just 3km on skis from the liaison to Megeve. You have a choice of two ski passes - Les Portes du Mont Blanc, or the more extensive Evasion Mont Blanc. For even more variety, it's just a 14km drive to the ski fields of La Clusaz.

Whether you decide to visit in winter or in summer, you will never be short of something to do. Winter sports such as skiing, boarding and snow biking are always popular and in summer, the mountains are a magnet for bikers, walkers and paragliders. You can also try summer luge, climbing, or just take the lift up the mountains and enjoy the view over a picnic.

Whatever you are looking for in a mountain holiday, you'll find it here at Chalet Crechoua.
